Motion

of the  
STANDING COMMITTEE OF EUROPEAN DOCTORS (CP)

regarding the PROPOSAL FOR A COUNCIL DIRECTIVE (1999/C 43/01) amending Directive 93/104/EC of 23 November 1993 concerning certain aspects of the organisation of working time to cover sectors and activities excluded from that Directive.

The Standing Committee of European Doctors (CP) at its meeting in Den Haag in November 1998 and in Brussels in March 1999 has reviewed the provisions of the above document insofar as it applies to the excluded sector of doctors in training and hereby expresses its unanimous support for the proposal.

The Standing Committee of European Doctors (CP) finds the proposal with regard to doctors in training to be balanced in all respects. The CP therefore would like to support the adoption of the Commission's proposed directive in its current form.
